**Re: Freedom of Information Request FOI 6069**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 12th December 2023.

Your request was as follows:

Have you digitised your closed / archive medical records? If outsourced, please state the supplier and contract expiry date?

I can confirm that the Walton Centre NHS Foundation Trust are in the process of digitising our medical records. This is outsourced to Apogee for 12 months with the option to extend a further 12 months, with the contract is due to expire 8th November 2024 and can be extended for a further 12 month period to 8th November 2025.

Have you digitised your day forward medical records? If outsourced, please state the supplier and contract expiry date?

As above.

Please see our response above in [blue](#).
